Subject: Tega Cay Sewer Spills

Ms. Boyd PSC

Please help us find a solution to the above problem....four more spills this past week. Have DHEC and the PSC force them to fix the problem. We have been paying for the fixes in rate increases while the number of spills increases. Hold Utilities Inc. accountable!!!!

Do you ever look back to see if UI is doing what they said when rate increases were given by PSC. Come talk to us at Tega Cay. We have lost all confidence in the PSC.

Sincerely,
